

SCHEDULING & ATTENDANCE

Google:

We use the Google calendar to schedule every aspect of the studio and Company. Here are the following are procedures to follow for scheduling.

1. Always check the Google calendar on Sunday night by 6:00 p.m. prior to the start of the week just to double check that your calendar matches ours.
*Do not rely on your Google calendar, check ours. There may have been an update.
2. We will do our very best to get practices on the calendar at least one month prior.

CLASSES & PRACTICES

1. All practices are mandatory
2. If you know in advance you will be absent, please send an email with the dates your child will be absent.
3. If you have to miss a group practice, you must call the studio at least 1 hour prior to the class. If it is a solo, duet, or trio you must call the choreographer.
4. We consider regular classes the same as Company classes. Therefore the attendance in regular classes is equally important for Company classes.
5. If you miss a class without calling we will contact you to see where your child was that day and determine if it excused or unexcused.
6. If you have two unexcused absences in a month your child will be put on a probation period. Probation period means if you have one or more unexcused classes/Company class absence, you will be pulled from that particular dance.
7. It's imperative that your dancer be at every practice. If affects the whole group, not just your child.
8. If you are a no-show for a solo/duet/trio practice, you will still be charged for that practice.

ATTENDANCE AT COMPETITIONS

1. Attendance at competitions is mandatory.
2. If you realize you have a conflict with one of the convention/competitions please let us know ASAP. Do not wait until the week before the competition.
3. Illness, death, or a very special family event is the only exception for missing a convention/competition.

(we are trusting that you will use your best judgement on issues that arise such as these)

COSTUMING

We do our best to keep our costumes under \$100.00 per costume. It is good to estimate a higher amount and come out cheaper. Remember you will have the costumes, rhinestones, props, make-up, accessories, tights, shoes, paws, etc. These costs can increase the price of the costume. Your costumes will need to be paid for 30 days after you are invoiced for them. We are projecting to have you invoiced for them in September, so they will need to be paid for in full by October 1st.
